Train for Gain Grant for Leadership Training for SME's.

Local HR and Training consultancy HR+ Ltd are pleased to confirm that one of their training programmes is approved for grant support funding by Train to Gain. Under the Train to Gain Leadership and Management programme, companies in the South East who have between 5 and 250 staff can qualify for up to £1,000 worth of grant to put towards training to develop leadership skills.

The Leadership and Management programme delivered by HR+ Ltd is approved for this funding and can therefore costs just a fraction of the commercial price of this training. The training programme consists of four workshops held over September and October in the popular venues of Chilston Park and Mount Ephraim. This is a fantastic opportunity to obtain excellent training at a very low cost, reflect on current skills and network with other business leaders in the South East.

For further details on this programme please contact Joy Cross at HR + Ltd on 01233 722 486
